Application/Enforcement Number	Appeal Number	Site Address	Description of proposal	Reply by Date	
<a href="#"><u>TWC/2014/0966</u></a>	N/A	Unit 12, Birchfield Way, Lawley, Telford, Shropshire, TF3 5BZ	Installation of 2no. air conditioning cassettes and 1no. condensing unit (Retrospective)	24/11/2014	We feel that the location of the condensing units could have been placed better as they are both cumbersome and block the rear walkway somewhat. There is a definite lingering smell of greasy chicken in the square and we have had retailers and occupants of the apartments complaining about the smell. We do not know if they have been fitted correctly either as surely this lingering smell should not be evident? Needs looking at for correct siting and fitting of the condensing units
<a href="#"><u>TWC/2014/0961</u></a>	N/A	2 Smithy Way, Lawley Village, Telford, Shropshire, TF4 2GE	Erection of a conservatory to rear of property (Retrospective)	20/11/2014 Extension agreed	We have no objection to this application but would ask that you bear in mind the IMS covenants that are attached to the stewardship agreements in place regarding no alterations. We understand that they have no objection to this as it does not have any detrimental influence on any neighbouring properties.
