Application/Enforcement Number	Appeal Number	Site Address	Description of proposal	Reply by Date	Comments
<u>TWC/2015/0005</u>	N/A	28 Long Row Drive, Lawley, Telford, Shropshire, TF4 2SF	Erection of a rear single storey extension	28/01/2015	Proposed extension falls within permitted development but awaiting further information from case officer due to constraints within the parameters of the garden so will advise of any additional information.
<u>TWC/2015/0015</u>	N/A	31 Davenham Walk, Newdale, Telford, Shropshire, TF3 5EU	Erection of a single storey rear and side extension following the demolition of existing garage	29/01/2015	No Objection
<u>TWC/2015/0021</u>	N/A	59 The Rock, Ketley, Telford, Shropshire, TF3 5BQ	Erection of a two storey side extension	02/02/2015	No Comment
<u>TWC/2015/0039</u>	N/A	Site of The Wrekin View PH, Milners Lane, Dawley Bank, Telford, Shropshire	Erection of a retail unit (Use class A1) with ATM, servicing, refuse and plant area with associated car parking, access, landscaping and diversion of footpath	11/02/2015	We feel that whilst this may be of service to the local community it could cause traffic flow problems and given its situation ask that a formal crossing point be considered for implementation to assist the local residents in accessing it safely. An addition of a post office counter should also be considered to make it a more sustainable/viable project and would be something that other local amenities do not have.
